INTERESTS

Games

I love many types of game genres. Open environments, strategy, exploration and strong narratives are some of the elements I enjoy the most in games.

Other

Other big interests are books, cooking and traveling. I love to get involved in all sorts of weird projects (I once built a hobbit house!).

ABOUT ME

I am 30 years old and come from Spain but have lived in Denmark the last six years. I am a easy-going, kind, smiling and a determined person. I am hardworking with a focus on learning and with a problem-solving mindset.
